GALLERY AFFILIATION  
Touchstone Gallery, Washington, DC

The scenes I paint are at once peaceful and reflective but challenge the viewer to see. Wax from my honeybee hives, damar crystals from fir trees and raw pigments – I heat and mix these three core substances to create arresting images of beauty.

**Earth Force**  
beeswax, carbon, graphite, and pigment on birch board, 36 x 56 inches

**In Between**  
encaustic on birch board, 40 x 30 inches
